

Board of Certified Public Accountants

Mission and philosophy

The mission of the Board of Certified Public Accountants is to regulate the practice of public accounting by CPAs in the public's interest, to provide and administer the Uniform CPA examination to qualified candidates, to issue CPA certificates and permits and to enforce provisions of CPA Act and Rules and Regulations within a constantly changing environment. By ensuring the highest standards are imposed, the board assists the public through a means of assuring that services are provided by competent individuals and firms.

Results of outcomes

Drafted and filed amendments to three chapters of the agency's regulations.

Acted as liaison with other national representatives to insure statutes and regulations are comparable to national standards.

Conducted numerous investigations as a result of complaints filed, involved in monitoring national current events in the accounting industry.

Maintained and updated a website: <http://cpaboard.state.wy.us> which allows access to all statutes and rules, in draft and final stage; access to the database of all licensed individuals and firms; a current register of individuals and firms; a current newsletter and; application forms which can be downloaded.

Published two informational newsletters
