Training
Other (Explain)

2. Has anyone at your library attended a "Train the Trainer" workshop? How has that person used the training?

3. What training format do you prefer? Please rank with 1 being first choice
WYLD annual meeting
Teleconference

Webinar
Regions
Videos/recordings of WYLD trainings
Non-Wyld Resources: OCLC, BCR, Library U.
Comments?

CURRENT SITUATION

[We could include here possible topics to encourage uniform responses or let peoples 'frustrations be their guide.]

3. What is **your** biggest WYLD trouble spot or problem area? Explain.
4. What aspect of WYLD are **you** most confident about? Explain.
5. What do you see as your library's biggest WYLD training need?

Prioritize the following possible training subjects, 1 is the highest, -1 is no interest. Explain if you mean beginning, intermediate or advanced (B, I, A).

- Upgrade to WorkFlows Client for the Java Platform
- Authorities Control - database clean up and our work with LSSI, etc
- Indexing issues or overview (help with understand searching results)
- Database guidelines
- MyWyld (zPortal) - enhanced patron tool monitoring resource sharing requests
- Acquisitions
- Circ
- Cat
- General Introduction
- Interlibrary Loan
- Serials
- Reports
- Reserves
- Best practices
- VDX
- wiki
- databases searching
-
- Google/other search engines

Please comment on any of these.
